Join us for FREE Pancakes!

Catskill Communities That Care

Catskill Communities That Care (CTC) was established in 2005 by the Catskill Central School District. Catskill CTC is an anti-drug coalition comprised of school, government, faith & community-based organizations, parents and community members that work together to ensure the health and well-being of Catskill area youth and their families.

Catskill Athletic Sports Booster Club

The Catskill Athletic Booster Club is a newly formed and growing organization whose mission is to promote all athletic programs of the high school, middle school, and elementary school. The Club also works to unify the efforts of school administration, teachers, coaches, parents, and support staff to benefit Catskill's sports programs.

Communities That Care
c/o Catskill Central School District
