

Catskill High School Athletic Department

Bruce Schmidt, Athletic Director
518-943-5672

I am the parent of _____ .

It is my understanding that a school district vehicle will transport my child to and from all games during the season.

I request that I be allowed to pick up my child from any away game that I attend, whereupon she/he will not be transported back to the District as otherwise required by education law.

Thank you for your cooperation in this matter.

Sincerely yours,
