### Snapshot Tours - 2 hours

Snapshot Tours of TVHS - the only school of its kind in New York State - are designed for those interested in learning more about the school. The tours feature information on the principles and practices followed at TVHS and an opportunity for educators to observe TVHS faculty and students in the classrooms. The tours conclude with a question and answer session with faculty, students and the principal.

**Free** to Capital Region BOCES and Questar III component districts

\$30.00/person all non-components districts and other schools

Dates: December 8, February 15, March 29, April 25, May 24

### Study Tours - 4-5 hours

Study tours are designed for educators interested in more than just a quick look, providing a deep dive into Project-based learning and College and Career Standards as integrated into projects at TVHS. Participants will begin with a "Know/Need to Know" assessment, followed by a classroom learning walk to observe and gather data based on their needs. The tour also features a student and teacher panel and a general overview of project design at TVHS, concluding with a debrief of the learning walk and a facilitated dialogue to establish next steps.

\$125.00/person

Dates: November 16, December 15, March 21, May 9
