The Catskill Athletic Booster Club was formed in 2007 to promote physical fitness, athletics, sportsmanship, and cooperation between students, coaches and parents for the benefit of Catskill's Sports Program.

Over the past several years, the Booster Club with the cooperation of the District has raised funds to purchase equipment for the Athletic programs . In addition, the Booster Club paid for part of the cost for high school athletes to participate in summer basketball leagues, as well as sponsored golf clinics for CHS students. The Booster Club also annually sponsors Homecoming Weekend.

Booster Club Meetings are held monthly on Tuesdays at 6:00 pm in the CHS Library. The dates are on the school calendar (on the school website). All are welcome! If you have questions about the Booster Club, contact Marjorie Riley at 943-2632 or email [mriley@mhccable.com](mailto:mriley@mhccable.com) or contact Karen Haas at 943-7611 or email [khaas@mhccable.com](mailto:khaas@mhccable.com).
